MEMORANDUM FOR: Director of Personnel

SUBJECT : External Employment of DDO Annuitants

Fred:

1. Attached herewith is a copy of an Operations Directorate memorandum of 9 July 1974, which relates to external employment of DDO annuitants. You will note that it presents a position diametrically opposed to the DD/M&S memorandum of 26 June 1974, which offered comments on a letter from [redacted], who left the Agency in June 1973.

STAT

2. I do not want to get involved in a paper war with the Operations Directorate on the existence of a "myth," and I am not really concerned about the motivation of [redacted] in recommending an examination of the problem. On the other hand, I do feel it would be in the best interests of the Management and Services Directorate to prepare a complete factual and objective analysis of the situation to support the conclusion that "we are on pretty solid ground in helping our retirees." In effect, I feel it would be most appropriate to develop specific hard data, either by way of statistics or examples in order to establish that the problem is not unique to the clandestine service. I would submit that if this hard information is not available, some consideration might be given to the [redacted] suggestion that we study the issue, either in terms of other Directorates and/or other Government agencies.

STAT

3. I would very much appreciate receiving this detailed analysis by 9 August 1974.
